

**RAJALAKSHMI  
ENGINEERING COLLEGE**  
An AUTONOMOUS Institution  
Affiliated to ANNA UNIVERSITY, Chennai

**END SEMESTER EXAMINATIONS - [EVEN SEM] - MAY 2018**

**Common to all I Year M.E. / M.Tech. / M.B.A.**

**TIME: FORE NOON SESSION :9.30 am to 12.30 pm**

**AFTERNOON SESSION : 1.30 pm to 4.30 pm**

**DATE : 12.04.2018**

**M.E. MEDICAL ELECTRONICS**

| Date       | Day       | Sub code | Subject                           | Session |
|------------|-----------|----------|-----------------------------------|---------|
| 12.05.2018 | Saturday  | MX17201  | Medical Image Processing          | AN      |
| 15.05.2018 | Tuesday   | MX17202  | Medical Imaging and Radio Therapy | FN      |
| 17.05.2018 | Thursday  | MX17203  | Advanced Microcontrollers         | FN      |
| 19.05.2018 | Saturday  | MX17204  | Biomedical Equipment              | FN      |
| 21.05.2018 | Monday    | MX17E24  | Rehabilitation engineering        | FN      |
| 23.05.2018 | Wednesday | MX17E25  | Advanced Neural Computing         | FN      |

**M.TECH. BIOTECHNOLOGY**

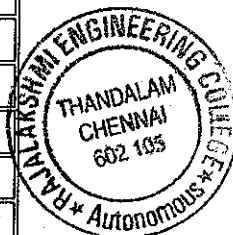

| Date       | Day       | Sub code | Subject                            | Session |
|------------|-----------|----------|------------------------------------|---------|
| 12.05.2018 | Saturday  | BY17201  | Bio Separation Technology          | AN      |
| 15.05.2018 | Tuesday   | BY17202  | Bioprocess Engineering             | FN      |
| 17.05.2018 | Thursday  | BY17203  | Biopharmaceuticals and Biosimilars | FN      |
| 19.05.2018 | Saturday  | BY17204  | Immunotechnology                   | FN      |
| 21.05.2018 | Monday    | BY17205  | Advanced Genomics and Proteomics   | FN      |
| 23.05.2018 | Wednesday | BY17E23  | Advances in Molecular Pathogenesis | FN      |
| 25.05.2018 | Friday    | BY17E27  | Tissue Engineering                 | FN      |

**M.E. COMPUTER SCIENCE AND ENGINEERING**

| Date       | Day       | Sub code | Subject                                | Session |
|------------|-----------|----------|----------------------------------------|---------|
| 12.05.2018 | Saturday  | CP 17201 | Cloud Computing Technologies           | AN      |
| 15.05.2018 | Tuesday   | CP 17202 | Advanced Databases                     | FN      |
| 17.05.2018 | Thursday  | CP 17203 | Machine Learning Techniques            | FN      |
| 19.05.2018 | Saturday  | CP 17204 | Big Data Analytics                     | FN      |
| 21.05.2018 | Monday    | CP 17E24 | Software Quality Assurance and Testing | FN      |
| 23.05.2018 | Wednesday | CP 17E27 | Software Requirements Engineering      | FN      |

**M.E. COMMUNICATION SYSTEMS**

| Date       | Day       | Sub code | Subject                                      | Session |
|------------|-----------|----------|----------------------------------------------|---------|
| 12.05.2018 | Saturday  | CU17201  | Wireless Communication Networks              | AN      |
| 15.05.2018 | Tuesday   | CU17202  | MIC and RF System Design                     | FN      |
| 17.05.2018 | Thursday  | CU17203  | Communication System Modeling and Simulation | FN      |
| 19.05.2018 | Saturday  | CU17E23  | Cognitive Radio                              | FN      |
| 21.05.2018 | Monday    | CU17E25  | Digital Image and Video processing           | FN      |
| 23.05.2018 | Wednesday | CU17E28  | High Performance Networks                    | FN      |

**M.E. POWER ELECTRONICS AND DRIVES**

| Date       | Day       | Sub code | Subject                          | Session |
|------------|-----------|----------|----------------------------------|---------|
| 12.05.2018 | Saturday  | PX17201  | System Theory                    | AN      |
| 15.05.2018 | Tuesday   | PX17202  | Solid State Drives               | FN      |
| 17.05.2018 | Thursday  | PX17203  | Special Electrical Machines      | FN      |
| 19.05.2018 | Saturday  | PX17204  | Analog and Digital Controllers   | FN      |
| 21.05.2018 | Monday    | PX17E21  | Power Quality                    | FN      |
| 23.05.2018 | Wednesday | PX17E22  | Flexible AC Transmission Systems | FN      |

**M.E. EMBEDDED SYSTEM AND TECHNOLOGIES**

| Date       | Day       | Sub code | Subject                                    | Session |
|------------|-----------|----------|--------------------------------------------|---------|
| 12.05.2018 | Saturday  | ET 17201 | VLSI Architecture and Design Methodologies | AN      |
| 15.05.2018 | Tuesday   | ET 17202 | Embedded Networking                        | FN      |
| 17.05.2018 | Thursday  | ET 17203 | Wireless and Mobile Communication          | FN      |
| 19.05.2018 | Saturday  | ET 17204 | Software for Embedded System               | FN      |
| 21.05.2018 | Monday    | ET 17E21 | Design of Embedded Control Systems         | FN      |
| 23.05.2018 | Wednesday | ET 17E22 | Programming with VHDL                      | FN      |

**M.E. ENGINEERING DESIGN**

| Date       | Day       | Sub code | Subject                         | Session |
|------------|-----------|----------|---------------------------------|---------|
| 12.05.2018 | Saturday  | ED 17201 | Research Methodology            | AN      |
| 15.05.2018 | Tuesday   | ED 17202 | Engineering Fracture Mechanics  | FN      |
| 17.05.2018 | Thursday  | ED 17203 | Integrated Mechanical Design    | FN      |
| 19.05.2018 | Saturday  | ED 17204 | Vibration Analysis and Control  | FN      |
| 21.05.2018 | Monday    | ED 17E25 | Surface Engineering             | FN      |
| 23.05.2018 | Wednesday | ED 17E26 | Advanced Mechanics of Materials | FN      |

**M.B.A.**

| Date       | Day       | Sub code | Subject                     | Session |
|------------|-----------|----------|-----------------------------|---------|
| 12.05.2018 | Saturday  | BA 17201 | Operations Management       | AN      |
| 15.05.2018 | Tuesday   | BA 17202 | Financial Management        | FN      |
| 17.05.2018 | Thursday  | BA 17203 | Marketing Management        | FN      |
| 19.05.2018 | Saturday  | BA 17204 | Human Resource Management   | FN      |
| 21.05.2018 | Monday    | BA 17205 | Information Management      | FN      |
| 23.05.2018 | Wednesday | BA 17206 | Applied Operations Research | FN      |
| 25.05.2018 | Thursday  | BA 17207 | Business Research Methods   | FN      |
