

Centre of Excellence in MEMS and Micro-fluidics  
Rajalakshmi Engineering College, Chennai  
*Certificate Program on*

**Microfluidics– A Powerful Technology for Future**  
**Dec 18 - 22, 2018**

Microfluidics is becoming an emerging technology in medical diagnostics and various other fields. This certificate program focuses on bringing an awareness among young generation with intense lectures and demonstrations on various microfluidic technologies and their applications.

**Keynote Speakers:**

Dr. R. Sundar, REC

Dr. S. Pushpavanam, IITM

Dr. Ashis K. Sen, IITM

Dr. Sanket Goel, BITS(H)

Dr. L. Sujatha, REC

**Eligibility: Faculty, Students and Industry persons from all Engineering Disciplines**

*Registration Fee*

Faculty ₹ 5000; Students ₹ 3000; Industry ₹ 10000
